Thanks, Claudia and not a problem. I'd rather have duplicates than run the risk of not having something I need. I was primarily trying to determine, without actually opening the documents, whether there were one or two sets of documents that I need to review. You've answered that question and I appreciate it. I'll try to take a look at these this afternoon. Do you know what current plans for next steps are?

This is what we received from OMB last week, so probably the same documents. Sorry, for the duplication.

Thanks,

Claudia

Thanks, Claudia. Do you know whether these are in addition to what Michael sent me on Thursday, or the same thing?
